Good Morning Arturo,

Thank you for the update.

I am glad to hear that the contractor will monitor the sites on a weekly basis.

Please keep Bill posted as he is the Field Deputy for Highland Park and is overseeing the project.

Hi Ricardo,

The general contractor has inspected all sites earlier this week and will conduct weekly inspections for safety. Also, I will be coordinating a call with LADOT and the contractor to help understand what's the hold up so we can get those tiles installed! I'll keep you posted.

Thanks
